

Al Shrouk Crops

Elevating Crop

Exports with Excellence

About Us

Alsherouk company is one of pioneers the Middle East in many industries including Agriculture, Farms, Constructions and Food Manufacturing

It was established in 2019 with its headquarters in Ismailia City. The company initially specialized in agricultural venture, reclaiming 1000 acres of fertile soil and cultivating them. with a wide variety of citrus fruits and Strawberries

Alsherouk company expand every year in more areas through increasing the plantations

Today, Alsherouk is the biggest grower and exporter of fresh and frozen fruits and vegetables in the world with an annual production capacity of 15,000 tons subject to an annual increase of 25%

Alsherouk farms include a wide variety of fruits and vegetables ranging from mandarin, lemon, strawberries, etc

Alsherouk is exporting more than 5,000 tons out of its production while the rest is being sold in the local Egyptian market
